On behalf of Commander Bob Cobb, I am writing his June newsletter article. There was a tragic family emergency and Bob and Barbara had to tend to family matters. Our condolences to them and their family.

Comrades and Auxiliary members,

We are about to start another VFW year. Bob thanks all of you for your service and patronage to the Post. And, thanks to those of you stepping up and taking on a leadership role for the 2016-2017 year. We've had a great year and are looking forward to another one...back-to-back!

It will be a busy next couple of months with State Convention, Anza Electric Coop Meeting, Father's Day, Flag Day, Anza Days, Independence Day and more. Between attending meetings, performing color guard services, and providing meals at the Post, it will take all of us to make these things happen. Please continue to help out where you can; we really appreciate it.

I hope you are taking advantage of the beverage specials and the Saturday menu in the Canteen. We are trying something new. So far the feedback is fairly positive. First we had many people asking for something besides pizza...and we think we are making them happy. And, now our pizza lovers are asking for pizza to come back. Please give the new menu a try and let us know what you think. The Saturday Canteen menu is available when we aren't serving burgers or tacos out of the kitchen. I've tried the yummy Hot Pockets®, but I hear the Philly Steak Sandwich is da bomb!

As always, we are looking for cooks and help in the kitchen. Please give Debbie or any of the cooks a call and we'll show you the ropes.

Enjoy your summer. Stay safe. And, remember our troops serving at home and around the globe.

Adjutant Mike Mrsny

V.F.W. AUXILIARY PRESIDENT'S MESSAGE

Our next meeting will be held Saturday, June 11th at 10 a.m.

We are still in need of a Patriotic Instructor. If you are interested in holding this position, please contact me at (951) 763-4560.

We want to welcome Joseph Mrsny, brother of Mike Mrsny, as the newest member of our Auxiliary. He graciously volunteered to take the Secretary's position. We sure would like to see more of the male members take an interest in the Auxiliary. You don't have to volunteer to take an office. Just attend our meetings and help support us. After all, we are here to support the Post.

Keep collecting pull tabs for Ronald McDonald House. We will no longer be collecting cancelled stamps.

Loyally,

Tonie Ford,

VFW Auxiliary President

CHAPLAIN'S REPORT

Our deepest sympathies go to Bob and Barbara Ann Cobb at the loss of their Granddaughter. We all wonder why such a young person is taken. But maybe the Lord needed another angel to watch over us. God bless you Bob & Barbara Ann at this time.

Remember our military men and women. We ask the Lord to keep them out of harm's way and bring them home safely to their families. And pray for our Country. It can use all the prayers we can send up. Let me know if you know of anyone who needs a phone call or get well message.

Loyally,

Kohler,

VFW Auxiliary Chaplain
